

# PRODUCT WARRANTY

**AIRFILTER ENGINEERING (AFE)** warrants that our products shall be free from defect in materials and workmanship for the periods stated below when correctly applied, handled, installed, maintained and operated within the industry norms and product specifications, provided such defect is discovered and immediately brought to AFE's attention without delay in writing and within the warranty period.

**Dryers:** Twelve (12) months from date of commissioning or 18 months from date of invoice, whichever comes earlier.

**Filter Elements:** Twelve (12) months from date of invoice.

**Filter Housings:** Ten (10) years from date of invoice

The warranty shall be limited to only repair or replacement of the defective part or the product itself on ex-works basis, if the complaint is proven to be justified, and shall not cover any consumable item, incidental charges or consequential losses incurred by the purchaser.

Products may experience slight variations in appearance, dimensions and colours due to production tolerances and shall not be considered for any claim of warranty.

Any unauthorized changes made to the original product and any service performed on the product by any person other than AFE or their authorized dealers or distributors, or the usage of parts not approved by AFE shall void the warranty. Damages to the products resulting from misuse, mishandling, abuse, neglect, accident, transportation or storage shall not be covered by the warranty.
